**Introducing Gecko Alliance's**

## in.touch 2 ultimate mobile remote control for your spa

**in.touch 2 eliminates all the complexities of connecting your spa to the Internet and transforms your smartphone or tablet, into your ultimate mobile remote control.**

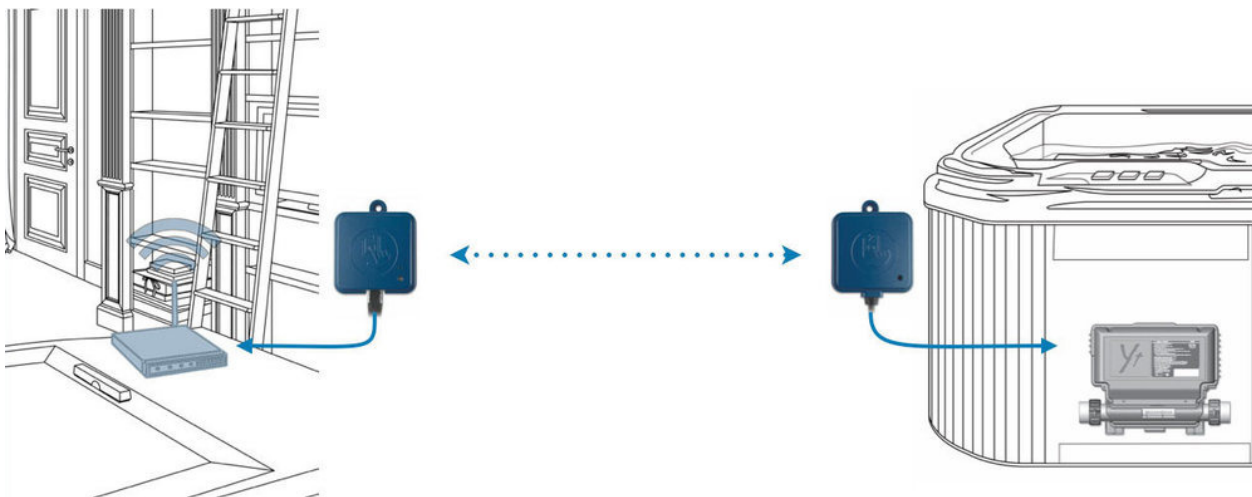

**in.touch 2 comes with a state-of-the-art app and 2 pre-paired radio frequency transmitters.**

**in.touch 2 comes with a state-of-the-art app and 2 pre-paired radio frequency transmitters**

One being part of your spa system and the second one, being connected to your Internet router. Both RF transmitters are pre-linked to one another, enabling an immediate and perfect communication between you and your spa.

## Strong and long range signal

### Thanks to a strong RF technology, your in.touch 2 is easily connected

Through our proprietary RF technology, in.touch 2 transceivers emit a strong, stable and long-range signal between your spa and your router (about 3 times longer than regular signal). No need for repeaters or boosters: your spa will always remain within reach in typical backyard settings.

## State-of-the-art apps

### For iOS and Android users

in.touch 2 streamlined iOS or Android application makes it very easy to control and program functions and features of your spa from your smartphone or your tablet, even when you're away from home. Push notifications will always keep you informed on the status of your spa, even when your app is not open.
