

Heritage STR

Style & Performance

With the Heritage STR, your backyard is turned into an outdoor living space that can be enjoyed all summer long.

The beauty, strength and design are what make these pools stand out from the rest.

Style & Strength

The engineering details of this pool make it one of our best sellers. Using an interlocking steel stabilizer at the top of the pool combined with a hardware-free 'Snap-In' resin bottom rail ensures a stronger, faster installation with superior stability. Even the ivory color scheme of this pool was chosen specifically to enhance your home and match the latest backyard décor.

- 7" Steel Top Ledges
- Krystal Kote Uprights
- Superior wall coatings
- Decorative Designer wall
- Decorative Foot Cover

Your above ground pool has been designed to provide you with years of safe family fun. This entails that water safety must always be taken into account. When used incorrectly, your above swimming pool can be dangerous; above ground pools are shallow, and this makes diving and jumping unsafe. To ensure your above ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an above ground pool and conform to all local regulations.
